The Convention of the Congregational Ministers in the Commonwealth of Massachusetts

Is a voluntary Association, embracing all the Congregational Clergy of the Commonwealth, but vested with no particular authority or control over the churches.

Their meeting is held in Boston, in the afternoon of the last Wednesday in May, or day of Election annually, at five, P. M. and the following day at eleven, A. M. After transacting the usual business of the Convention, a sermon is delivered in public before them, and a collection made for the charitable purpose of relieving the indigent Widows of Congregational Clergymen.

For the purpose of investigating cases of necessity, and of application for the charity of the Convention, there are

two standing Committees; a Central Committee, chosen centrally, and a Reporting Committee, whose members reside in different parts of the State. The Reporting Committees are required, each year, to investigate the circumstances of the objects of this charity, whether already on the list, or needing, or applying the first time for aid, and make a particular statement to the Central Committee, directed to the Scribe of the Convention, at least one week before the meeting of the Convention. Should any member neglect so to do for two successive years, his place in the Reporting Committee shall be vacated. The Central Committee receive from the members of the Reporting Committee applications and statements of facts in behalf of subjects of the charity of the Convention, and, having considered the same, are to judge of the persons to be relieved, and the proportion to be given to each, and make report to the Convention, on the first day of their meeting, annually.

The statements of the members of the Reporting Committee are expected to contain answers to the following questions—

1. What is her age?
2. What are the number, the sex, the ages, and the circumstances of her children?
3. What is a fair estimate of her property?
4. What is her ability to help herself?
5. What connexions has she, who are bound to afford her assistance? And in what way do they assist her?
6. What is her income?
7. What peculiar circumstances render her an object of charity; or make it desirable, that she should have aid this year?

The Officers of the Convention at present are—

Rev. Nathaniel L. Frothingham, of Boston, Treasurer.

Rev. Dr. Wisner, of Boston, Scribe of the Convention.

Rev. Dr. Codman, first Preacher.

Rev. Dr. Jenks, second Preacher.

The Convention earnestly recommend to all young gentlemen who design to devote themselves to the work of the ministry, to spend that portion of time in the study of divinity, which learned and judicious advisers shall think necessary to qualify them for public teachers.

Massachusetts Congregational Charitable Society.

Annual meeting on the Monday preceding the General Election.

[This Society was incorporated 24th of March, 1786; "for the humane and benevolent purpose of affording relief and support to the widows and children of deceased ministers. The members may not exceed thirty of the clergy, and laity in equal proportion."]

President, Israel Thorndike, Esq.

Secretary, Levi Hedge, LL. D.

Treasurer, Eliphalet Porter, D. D.

Committee for nominating the objects of its charity, Rev. Dr. Lowell, Rev. Dr. Porter, Rev. Dr. Pierce.

General Association in Massachusetts.

This body was organized in June, 1805. It is composed of delegations from particular Associations of evangelical Congregational ministers, two from each Association. Its members "admit as articles of faith, the doctrines of Christianity, as they are generally expressed in the Assembly's Shorter Catechism," and consider these doctrines which have been generally embraced by the churches of New-England, as the "*basis of their union.*" This body wholly disclaims ecclesiastical power or authority over the Churches, or the opinions of individuals. The essential objects, as expressed in their Constitution, are "to promote brotherly intercourse and harmony, and their mutual animation, assistance, and usefulness as ministers of Christ."

☞ Annual meetings fourth Tuesday in June.

The members of this Society amount to about 400, reside in 20 different States, and belong to seven denominations of Christians. The Board of Directors who are chosen annually, meet *quarterly* on the second Wednesday of January, April, July, and October, and oftener if necessary. A Committee of the Board meet the day previous, at 3 P. M. at the Rooms of the Society, to examine and recommend candidates for patronage; —besides whom, there are 41 Examining Committees in different parts of the United States. There are seven Branch Societies connected with the Parent Society, and an agency established at Cincinnati, Ohio.

Over *eleven hundred* young men have been assisted, in a greater, or less degree, by the funds. Between 400 and 500 are at present receiving patronage at more than *seventy* Institutions. Between 300 and 400 of

those who were formerly aided, have already become preachers ; of whom, *sixteen* have devoted themselves to Foreign Missions. About twenty have become Permanent Instructors, as Professors or Principals in various Literary and Theological Institutions, and *fifty* more are temporarily employed in the business of instruction. Not far from *seventy* have died while pursuing their studies, or been compelled to abandon their object for want of health. Between *thirty* and *forty* have lost their patronage in consequence of not possessing the qualifications required by the Rules of the Society.

Those who have been aided by the Society belong to seven denominations of Christians—they are natives of almost every State and Territory of the Union, and have pursued studies at *ten* Theological Seminaries, *twenty-three* Colleges, *seventy-seven* Academies—Total 110 Institutions. All monies are now appropriated in the form of advantageous *loans*, and not as a *charity*. One Thousand dollars constitutes a Permanent Scholarship ; and seventy-five dollars a year, for seven years, constitutes a Temporary Scholarship.

* * The Census for 1830, in a few of the Cities are only by estimate.
 The Population of the State of New-York for 1830, is 1,934,496.

City Register.

City of Boston Incorporated Feb. 23, 1822.

CITY HALL.

This edifice, now in the occupancy of the Municipal Officers of the City, was erected in 1714. The expense was borne equally between the then Province and town of Boston. By a severe fire, in 1747, it became necessary to entirely rebuild the interior: again, the Province paid one half the expense, the County of Suffolk one quarter, and the inhabitants of Boston were assessed for the remainder. After the Revolution, it was the place of meeting for the General Court, till after the completion of the new State-House, near Beacon hill. From about that time, to the year 1830, (thirty years,) the lower floor and cellar, were used by various tradesmen, Insurance Offices, &c. At the close of the last year, having been thoroughly repaired, it was, by an ordinance of the City Government, called the *City Hall*,—by which name it is hereafter to be designated. It stands at the head of State Street, and on the line of Washington Street, the Broadway of the Metropolis of Massachusetts. Its length is 112 feet, by 36 in width, with a tower, overlooking most of the City and harbour, rising from the centre of the roof. Being in the very focus of business, and nearly in the centre of the city, the use to which this venerable pile is now devoted, appears to give universal satisfaction.

On the first floor are three large rooms: that facing Washington Street, is the Post-Office. At the other extremity, looking down State Street, is the Marine News Room, one of the best conducted establishments, for the accommodation of Merchants, in the United States. The middle room, a lofty apartment, supported by pillars, is the Exchange, and common thorough-fare to the Public Offices.

From this central room or Merchants' Exchange, is a flight of winding stairs, leading to a suit of apartments, in the second story. Directly over the Post-Office is the splendid Hall of the Common Council, in which they ordinarily meet, on public business, every Monday evening. Opposite, over the Exchange Room, is the no less richly and tastefully ornamented Hall of the Mayor and Aldermen. In this room, the Chief Magistrate of the

City, together with the City Clerk, remain through the day, in the discharge of their ordinary duties. The Board of Aldermen hold their meeting, generally, on Monday evenings.—Around the circular area of the stairs, are a series of Offices, viz. the Auditor's, Treasurer's, Assistant City Clerk's, Clerk of Common Council, and the Health Office, which latter accommodates the City Marshal, Superintendent of Burial Grounds, Physician of the Port, Captain of the Watch, Superintendent of Lamps, and the Commissioner of Streets.

Another flight of stairs leads to the third story, in which is the Office of the Chief Engineer of the Fire Department, City Land Commissioner, Messenger, a Committee Room, Post-Master's private apartment, and a large Hall, the use of which is not yet determined upon.

The whole is lighted with gas, as well as the lamps at the four corners of the building. Besides being highly ornamental to the city, the concentration of so many important Offices under one roof, renders the City Hall an object of peculiar interest to strangers as well as all classes of citizens.

By an Act of the Legislature of March 12, 1830, the Courts of Probate have concurrent jurisdiction with the Supreme Judicial Court and the Court of Common Pleas, in granting licenses to Executors, Administrators, and Guardians, to sell, for the payment of debts and legacies or taxes, or for the support or legal expenses of Wards the whole of any real estate, where a partial sale of the residue would be greatly injured.—The Judges of Probate Courts have authority to adjourn as they shall judge necessary. And when prevented by sickness or other reasonable cause from attending a Court, his Register of Probate may adjourn the same by his direction.
